IRANIAN PIAROM DATES

NATURAL SWEETNESS, EXCEPTIONAL QUALITY

Piarom dates are one of Iran's premium date varieties, known for their long shape, semi-dry texture, and rich, caramel-like flavor. Grown in the warm regions of Iran, they are a perfect choice for those who appreciate natural sweetness and superior quality.

ABOUT PIAROM DATES

Piarom dates are carefully handpicked at the perfect ripeness stage to ensure the best taste, texture, and nutrition. They are rich in essential nutrients and provide a healthy energy boost for your daily life.

-  Semi-dry with chewy texture
-  Rich, sweet taste with caramel notes
-  High in fiber, vitamins and minerals
-  Natural source of energy
-  Suitable for all ages

IRANIAN SAYER (ESTAMARAN) DATES

NATURAL GOODNESS, EXCEPTIONAL TASTE

Sayer (Estamaran) dates are a semi-dry variety cultivated in the warm southern regions of Iran. They are known for their rich flavor, soft texture, and beautiful golden brown color, making them a wholesome choice for every occasion.

AVAILABLE OPTIONS WITH PIT & PITTED

We offer both with pit and pitted options to meet different market needs and customer preferences.

ABOUT SAYER (ESTAMARAN) DATES

Sayer dates are medium in size with a soft, fleshy texture and a pleasant, mildly sweet flavor. They are harvested at the right stage to ensure optimal taste, quality, and natural goodness.

-  Semi-dry with soft texture
-  Mildly sweet with rich, caramel flavor
-  Rich in fiber, vitamins and minerals
-  Good source of energy
-  Suitable for all ages
